

CYCLONES - 2010 -2011 TRYOUTS - GENERAL INFORMATION

There is no charge for players to try out for the Cape Coral Cyclones – all players age 10-18 are welcome to participate. Players will try out in their own age group. Each player will be evaluated by a group of coaches and technical staff, and the scores for each player will be totaled at the end of each tryout session. Based on the evaluation scores, teams will be formed – there are no predetermined teams. Emails will be sent out for the players that are invited to play with us as well as for those that didn't make a team.

If you are unable to attend the tryout, you must notify Eddie Carmean- cyd@capecoral-soccer.com before the tryout. If a child is unable to participate in tryouts due to injury or unavailability, the coach has the option to give players a try out at a later time.

Can I play up an age group? If you want to play up you must email to Eddie Carmean at www.capecoralsoccer.com before the tryout and he will send you the procedures. You must complete all the requirements to play up an age group.
